

Luisa Camila Galaz Carrillo

Mexico City | lgalaz@colmex.mx | +52 686 187 8412 | lgalaz.github.io

Research interests: Macroeconomics; financial stability and macroprudential policy; economic history.

Funding: Fulbright–García Robles Fellow (2026); mentoring program and complementary funding for postgraduate studies in the U.S., entering 2027.

Education

El Colegio de México (Colmex) — MPhil in Economics. GPA: 9.1/10. 2024–2026

- Admitted as one of 15 students from a pool of more than 300 applicants.
- Coursework: Macroeconomics I–III, Microeconomics I–II, Econometrics, Statistics, and Probability Theory.

Universidad Nacional Autónoma de México (UNAM) — B.Sc. in Economics. GPA: 9.88/10. 2019–2022

- Ranked 2nd in a cohort of more than 1,000 students.
- Visiting student, Freie Universität Berlin, Germany (2021).

Research

Working papers

Output Gap and the Financial Cycle: A Bayesian Finance-Neutral Estimation with Fiscal, Monetary, and Macroprudential Applications for Mexico, 1980–2025. 2026

- MPhil thesis, El Colegio de México. Advisor: G. Esquivel.

Distributive Effects of Recent Economic Crises in Mexico: A DiNardo–Fortin–Lemieux Decomposition of Growth Incidence Curves. 2025

- Awarded Second Place, Premio Ifigenia Martínez, Faculty of Economics, UNAM.

Book chapters

Banco de México in the Postwar Era: A Decade of Successive Adjustments (1945–1954), 2025
in *Cien años del Banco de México: una breve historia* (UNAM academic volume for the central bank’s centennial); with G. Esquivel.

A Qualitative Approach to Household Memories and Social Mobility during the 1994–1995 Mexican Crisis, CEEY collective volume; with A. Krozer, R. Vélez-Grajales and R. Campos-Vázquez. 2025

Undergraduate thesis

The Modern Lender of Last Resort: The Evolving Role of Central Banks as Liquidity Providers in Times of Crisis. B.Sc. thesis (Honorable Mention), UNAM. Advisor: C. Panico. 2024

Research Experience

Banco de México — Research Economist 2022–Present

- **Macroprudential Policy Division** (2023–2024; 2026–present). *On leave for MPhil studies, 2024–2026.* Built and maintained in R the monthly panel of Mexico’s 8 D-SIBs from CNBV supervisory filings; produced capital-requirement estimates and tracked the gradual Basel III implementation. Contributed to the semi-annual Financial Stability Report and to TLAC assessment work.
- *Project:* Coauthored a joint Banxico–BIS survey on Emergency Liquidity Assistance (ELA) frameworks across central banks; contributed to instrument design over successive feedback rounds, completed the Mexican country response, reviewed and requested corrections on Latin American responses, and analyzed cross-country results.
- **Office of Deputy Governor Gerardo Esquivel** (2022–2023). Prepared weekly analytical notes and Board-level briefings during the 2022–2023 tightening cycle; findings cited in the Deputy Governor’s public rate-decision justifications. Conducted literature reviews on high-frequency macroeconomic models and processed household income-and-expenditure survey microdata.
- *Project:* Reconstructed Banco de México’s institutional response to the 1982 debt crisis through archival analysis of internal meeting minutes.

Centro de Estudios Espinosa Yglesias (CEEY) — External Consultant, 2025–2026
Research and Project Coordination

- Coordinated a 15-member team of former policymakers and senior academic researchers, led by R. Campos-Vázquez (Colmex), producing a collective volume on the 30th anniversary of the 1994–1995 financial crisis.
- Designed the qualitative research instrument, supervised the external fieldwork firm, and coauthored the closing chapter.

Fellowships, Awards, and Honors

- **Fulbright–García Robles Fellowship** (2026) — one of 7 doctoral awardees nationally (37 fellows across all categories). COMEXUS / U.S. Department of State.
- **First Place, Reto Banxico** (2021) — Mexico’s flagship undergraduate monetary economics competition, Banco de México; 400+ competing teams. Built DSGE, VAR and ARIMA models to defend the team’s policy recommendation.
- **Second Place, Premio Ifigenia Martínez** (2025) — senior research category, Faculty of Economics, UNAM.
- **Graduate Scholarship, CONAHCYT** (2024–2026) — full graduate stipend.
- **Study Abroad Scholarship**, UNAM-DGECI and SEP (2021); **Undergraduate Merit Scholarship**, FEMSA (2019–2022); **Certificate of Academic Achievement**, UNAM (2019–2022, awarded annually for ranking among the top 3 of the cohort).

Teaching Experience

- **Teaching Assistant**, Macroeconomics I (graduate) — El Colegio de México (2025–2026). Led weekly laboratory sessions for a cohort of 20; designed all supporting materials.
- **Head Teaching Assistant**, Macroeconomics I–II and Monetary Theory/Policy (undergraduate) — UNAM (2022–present). Approximately 45 students per semester; deliver lectures on delegated units, design all materials, and supervise junior teaching assistants.

Presentations, Service, and Additional Training

- **Presentations:** Banco de México 100th Anniversary Conference, Institute of Economic Research, UNAM (2025); Women in Economics Seminar, UNAM (2024).
- **Academic Services:** Examiner, UNAM undergraduate thesis defense (2026); Referee, Premio Banamex de Economía, undergraduate thesis category (2026).
- **Training:** Crisis Resolution and Restructuring (IMF and Instituto de Banca Central del Paraguay, Asunción, 2026); Financial Stability (CEMLA and Banco de España, 2026); Macroeconometrics (Barcelona School of Economics, forthcoming 2027).

Skills and Languages

Software: R, Python, Stata, Matlab, L^AT_EX.

Empirical methods: Time-series and macroeconometrics (VAR, state-space and unobserved-components models, Kalman filter, Bayesian estimation); panel data.

Languages: Spanish (native), English (fluent), German (intermediate), French (basic).
